

Inclement Weather

A. The policy of MHPC is to conduct scheduled classes, keep offices open and carry on normal college operations under conditions deemed to be reasonably safe. When adverse weather conditions or other events force the temporary closing of the college or postponement of classes, students and faculty will be notified via email and postings on the home campus web site. It is the responsibility of the student to ensure that the MHPC OTA office has up-to-date contact information.

B. In the event that program activities are being held, students should not attempt to travel under unsafe conditions or to take unnecessary risk due to inclement weather if they must travel some distance to get to campus. The department administrator and/or course director should be notified if the student is unable to attend class or other activity due to the weather.

C. If classes are canceled a make up assignment will be posted for the day or days the college is closed due to inclement weather. It is the responsibility of the student to sign on to canvas to receive the assignment and or instructions for that day or day's classes and review the due date. If student was unable to do the assignment the student must contact the course instructor to apply for an extension of due day.
